### **This is an important notice to make your car rental a smooth experience.**

In order to provide you with the most transparent information on the price of your car rental services, we have listed on your voucher what the price paid to HolidayCars.com includes and what it does not include. Terms and conditions vary by country, so we have listed any local fees that you might be liable to pay to the car rental company at time of vehicle collection. These are the only mandatory fees or services you are required to pay locally to the car rental company.

The actual car rental company listed on your voucher might give you the option to purchase equipment (such as GPS unit, child safety seat, ...) , prepaid tank of gas or additional insurances. Unless they are listed as mandatory on your voucher, these items are optional and you may choose to purchase them or not. If you are unsure or require further information, you should contact us at time of vehicle pickup on our toll free number, 24 hours a day, on the number listed below (see Terms and Conditions section). HolidayCars.com cannot accept liability for items purchased locally.

At time of pickup, we also strongly recommend that you check that the condition of the vehicle is adequately reflected on the rental agreement and that any pre-existing damage is indicated. Should you expect to be delayed for the pickup of the vehicle, you should also contact us to ensure your vehicle can be confirmed after the scheduled timing.

It is also your responsibility to be aware of the local driving laws and local tolls or stickers required for any country you are traveling into. Again, you can call HolidayCars.com on our free toll number at any time for advice and assistance.

Finally, we strongly recommend that you request and review a copy of the rental agreement in English, wherever the car rental company can produce one.

We wish you safe travels and hope you enjoy your car rental.

### **Driver's age**

25 to 99 years.

Customers who fall outside the age limitations will not be able to hire a car unless there is a young or senior driver fee specified in this section. Please note that if applicable, this fee will be included in the rental price and will be payable on arrival at the rental desk in the local currency.

### **Driver's licence**

A full licence held for minimum of 1 years with no major endorsements. UK licence holders need to present the photocard.

International Driving Permit needed along with original domestic licence.

### **Deposit and Credit card Information**

ACCEPTED: Bank Card, MasterCard (not prepaid), Visa (not prepaid). Debit card not accepted unless otherwise stated below.

A deposit amount of AUD 500.0 will be held against your credit card for the duration of the rental. Your deposit is a guarantee held in the event of damage/theft of the vehicle. This will be automatically released if there is no theft or damage during the rental period. Please note that this does not represent your total excess liability which can be found in the Damage Waiver Liability section.

NOT ACCEPTED: No other payment types will be accepted.

A valid credit card in the first name and surname (no abbreviations) of the lead driver must be presented at the rental desk in order to pre-authorise/charge a deposit. The credit card(s) must be embossed and a PIN number may be required.

In the event that you fail to present a valid credit card, there is a lack of sufficient funds available on the credit card or the credit card is not in the lead driver's name, the car rental agent may refuse to release the vehicle. In these instances, no funds paid will be reimbursed.

This location accepts Debit Cards. Conditions of debit card use: card must be in main driver's name. MasterCard or VISA only. Debit cards must be issued by a bank, and numbers must be embossed.
